## SECRETARY COLUMN - ILL. JAMES G. FIDLER, 33°

The month of October brings Fall into full view. The changes in Fall foliage colors; the brisk coolness in the air; football- on the high school, college and professional levels; and people converging for all sorts of activities remind us of the continuity of life and the beauty of our Divine Creator's Plan for a world, and universe, of seasonal changes and opportunities for His created beings to bond together in mutual affection.

October is the month that highlights the renewed commitment of Masonic Brethren to strengthen the bonds of fellowship and seek new ways to demonstrate the undeniable, conquering power unleashed by the Tenets of Brotherly Love, Relief and Truth. In this and coming months activities at Blue Lodge, Grand Lodge and Scottish Rite Bodies will brighten the landscape in Ohio.

On October 20-21-22, 2022, the Canton Masonic Temple will play host to the 251st Fall Reunion of the AASR, Valley of Canton, Honoring an outstanding man and Mason, Ill. David L. Detchon, 33°. The festivities include Conferral of the 4th and 14th Degrees on Friday evening October 21; Conferral of the 15th, 6th (video) and 32nd Degrees on Saturday morning October 22; a Ladies Craft Program from 9:00AM until noon on Saturday; and dinner at 1:00PM featuring delicious food and inspirational remarks by our Honoree. Please remember to make reservations for the Reunion and don't forget to bring in Petitions.

The Children's Dyslexia Center (CDC) is back in full swing doing remarkable work in tutoring students to help them enjoy the pleasure of reading. The CDC's hard-working interim Chairman, Bro. Brian Somers, has announced a Halloween Trunk or Treat Evening at the Canton Masonic Temple on October 30, 2022 and is constantly pursuing innovative fundraising endeavors.

A new Masonic year gets underway with the Installation of New Grand Lodge Officers on October 28 and 29, 2022. Throughout the months of October, November and December new Symbolic Lodge Masters and Officers, District Deputies and District Education Officers will assume their duties. All of these Brethren deserve our earnest support in their endeavors on behalf of Freemasonry in Ohio.

The Valley of Canton's November 10, 2022 Stated Meeting Night will be a special evening saluting Brethren of the Valley who are veterans, including Bro. Donald E. Ballard, MOH, who has been elected to receive the 33° at the Supreme Council Session in Louisville, Kentucky in August, 2023. WB Sherman Brick, MSA, is preparing a memorable program for the evening, which features a buffet style dinner catered by Mr. Mike's.

Looking ahead Brethren, mark your calendars for the return of a great biennial tradition on SATURDAY, JANUARY 28, 2023- THE SIX VALLEY DEGREE DAY! This event, which we were unable to have in 2021 due to Covid restrictions, features outstanding portrayals of seldom seen Degrees by the Brethren of six Valleys in Northeast Ohio. It attracts Scottish Rite Brethren from throughout the United States and Canada seeking to view superb ritual work, enjoy a delicious meal, and celebrate the camaraderie that is an integral part of the Scottish Rite experience. Dignitaries who will be in attendance at the Canton Masonic Temple on January 28, 2023 include our Sovereign Grand Commander, Ill. Peter J. Samiec, 33°.

## MEMBERSHIP

Brethren

I hope you had a great and safe September. For those who missed the September 18th outing. I will now give a brief account of the event. The day began at 12 noon with a light lunch, which was catered by Mr. Mike's. After the luncheon the Brethren and their families had the opportunity to tour the MAPs Museum. This museum is dedicated to our Armed Forces and the planes and helicopters used in the defense of this great nation. This outing was sponsored by the Valley of Canton. Total attendance was 80. I wish to thank everyone who attended. A special thanks to the Office staff, Bill Rodgers and Jim Fidler, for their help. Were it not for their assistance this outing would not have been the success it was.

The Fall Reunion is just around the corner. The dates for this Reunion are October 20-22. With the possibility of 41 candidates, this promises to be a memorable Reunion. The Honoree, Ill. David L. Detchon, 33°, will be in attendance. Please make reservations for this event by calling the Valley of Canton Office before the reservation deadline of October 14, 2022

On January 2, 2023 the Valley of Canton will host The Six Valley Degree Day. The Valleys that will confer degrees are as follows: Canton, Akron, Cleveland, Youngstown, Cambridge and Steubenville. Please make your reservation early for this event. The Sovereign Grand Commander, Ill. Peter J. Samiec, 33°, will be attending this event.

As you know, to qualify for the Valley of Excellence Award for the coming year the Valley of Canton must bring in 41 new candidates by June 15, 2023. With your help I believe this is an achievable goal.

I have a plan that just might work. Each of the Symbolic Lodges will take a turn hosting a Thursday Night at the Rite. The evening will begin with a light dinner. After dinner, the Brethren will retire to the Lodge room for the broadcasted Degrees. If there are new Candidates the 4° degree will be conferred prior to the viewing of the broadcast Degrees. For current Members, Thursday Night at the Rite is a great vehicle for their pursuit of a Gold Passport.

Fraternally

## RESERVATION

Why are reservations required? There are a number of definitions for the word "RESERVATION" a few are as follows:

- The act of reserving; a keeping back or withholding
- An arrangement by which accommodations are secured in advance, as in a hotel or at a restaurant for dinner.
- The written record or promise of an arrangement by which accommodations are secured in advance.

For all **EVENTS** held at the Masonic Temple it is a courtesy to the caterer and event planners to make a reservation by the designated deadline so the correct number of meals can be made and everyone can receive a meal.

At the **Stated Meeting dinners** reservations are required, as all attendees must check in and have their name checked against the reservation list. If your name is not on the list you will be placed on a "Stand By" list and will be offered a meal after all those who made reservations have been served.

At **Valley sponsored events for the family**, reservations are required by a specific deadline.

This is not only fare to those who had made a reservation for a meal but also to the caterer so they are not short on prepared meals.

**All reservations can be made by sending in the reservation coupon in the Chronicle or calling 330-455-2321 or emailing the valleyofcanton@yahoo.com prior to the designated deadline**

### **Blue Envelope Appeal – Be on the Lookout!**

Around October 1, all Scottish Rite members should receive the annual "BLUE ENVELOPE" appeal. We ask that you **PLEASE** give this serious consideration again this year. Your donations to this **PROGRAM** fund the Abbott Scholarships that we promote each year.

### **NEWLY ELECTED TO RECEIVE 33°**

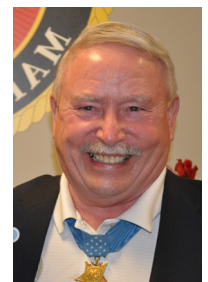

Elected to receive the 33° in Louisville Kentucky in 2023, are Valley members, RWB Daniel J. Schario, RWB Theodore R. Rhodes and Brother Donald E. Ballard, Medal of Honor Recipient, At-Large for the State of Ohio.

## VETERAN'S DAY

A holiday formerly observed in the United States as Armistice Day in commemoration of the signing of the Armistice ending World War I. November 11th officially became Veteran's Day on May 24, 1954, by act of Congress. The day is set aside in honor of all those who have fought in defense of the United States. Most of us have seen this before, but November 11 on the near horizon it is good to see this again. Remember, Memorial Day is for the deceased.

Veteran's Day is for the living. If you know a Veteran, thank him, or her, for their service to our country. Five simple words, "Thank You for Your Service" means the world to a service member, past and present. We can't say it enough.

### VETERANS RECOGNITION DAY

The **November 10, 2022 Stated Meeting** will be a special program to honor Valley Veterans. All Scottish Rite members who are veterans and are registered with Supreme Council will be recognized for their Military Service at a special reception.

An invitation has been sent to all the Valley Veterans requesting their attendance to this special program in their honor.

This event is open to all members and their families; there will be hot Hors d'oeuvres available with special guest speaker, Mrs. De Ann M. Williams, Executive Director Stark County Veterans Service Commission.

## VALLEY MASONS VOLUNTEERING IN THE COMMUNITY

A donation of 8 pallets of food, valued at \$16,363.03 was delivered to the SAM center on September 12 by WB Chadd Kasper, Master of Ceremonies, Stark Consistory in the name of his company “Tradefull and the Valley of Canton.

The 8 pallets of food came from an Italian company called Framore who was attempting to open a network in the U.S market through Tradefull. They found it was too costly and asked that the last of their goods be given to a worthwhile Veterans organization.

The Patriot Project was one of the many vendors at the SAM Center’s 5th Annual Veterans Resource Fair held at the MAPS Museum on Sept. 16 & 17. Pictured L-R : William Rodgers, MSA and Bro. Dr. Tim Novelli, founder of the Patriot Project.

### The Long Walk Home

#### *A veteran’s barefoot journey across America*

When Ron Zaleski returned home from his service to the Marine Corps in 1972, he was plagued by feelings of anger and guilt. As an act of penance, in 2006 he walked barefoot across the Appalachian Trail, where he learned self-forgiveness, empathy, and found a purpose greater than himself. In 2010 he upped the stakes and walked barefoot from Concord, MA to Santa Monica, CA. He traversed over 3,400 miles without shoes, all the while carrying a sign that read “18 Vets a Day Commit Suicide!” and a petition for military personnel to receive mandatory counseling. Along the way, he made connection and experienced things that would change him forever. “The Long Walk Home” recounts Ron’s remarkable transformation from disgruntled Veteran to trailblazing advocate for hope and change.

He founded The Long Walk Home a 501© 3 nonprofit dedicated to serving Veterans and their families. His mission is to help end war and Veterans suicide.

Ron Zaleski was a speaker at the SAM Center’s 5th Annual Veterans Resource Fair. Pictured L-R; Bill Rodgers of the Valley of Canton and Patriot Project Volunteer, Ron Zaleski, Joanne Rodgers a SAM Center Volunteer.

### Building a Brighter Future, One Child at a Time.

A student's first introduction to the Dyslexia Center, following parental contact, is a visit.

Where they are introduced to the staff and the directors. The directors will complete the initial testing, this testing will serve as a benchmark towards measuring their growth during the next two years.

Testing consists of letters, sounds, spelling and reading comprehension. The testing is done in a friendly environment, without fear of wrong or incomplete answers. If possible, the child will meet their tutor in order to ease any apprehension about their first lesson

The first lesson for a new student at the Children's Dyslexia Center involves student and tutor acclimating to one another. The student is asked about favorite things and activities. The atmosphere is friendly and non-threatening.

At that point, the student maybe asked to say and write the alphabet and if time permits, the phoneme cards may be introduced. These are cards with letters of the alphabet along with other letters and sounds, such as /sh/ and /th/ which are called digraphs. The tutor begins with the alphabet letters and asks the student for the sound. Any mispronounced sounds will be corrected. It is important to remediate at the time of the error. The tutor may decide to do a pretest of letters and sounds, if deemed necessary and time permits. A lesson lasts for 50 minutes.

The second visit will include a lesson with their tutor, in which the protocol for future lessons will be established. So that the student will see a pattern emerge and they will become comfortable with the predictability.

Rarely, if ever, is a child worried about lessons, because they understand and appreciate the caring atmosphere that permeates throughout the center.

Each lesson will end with a 15 minute reading by the student or in correlation with the tutor.

No work is ever sent home with students as they may have homework assignments from their teachers at their schools.

*Julie Fowler  
Business Manager*

The Center will be hosting a trunk or treat in the Temple parking lot on Sunday October 23rd. All are welcome to participate, but if you are unable to attend and want to help, candy donations will be greatly appreciated. You can drop them off at the center M-Th from 2 to 6pm. Or if you see Brother Brian Somers at an event, you can give donations to him as well.

### Are You One of the One Percent?

Brethren, please consider supporting the Canton Children's Dyslexia Center by becoming a member of the 1% Club with a minimum \$1000 donation. Your contribution will help save our Center and will allow us to continue serving area children struggling with dyslexia. For more information contact Brian Somers at [rbsumers@cdcinc.org](mailto:rbsumers@cdcinc.org).

### Halloween Safety

Halloween is at the end of this month and many of our children, grandchildren, nieces or nephews will be out in our neighborhoods Trick or Treating. With witches, goblins, and super-heroes descending on neighborhoods across America, let's look at some safety tips to help prepare for a safe and enjoyable trick-or-treat holiday. Halloween should be filled with surprise and enjoyment, and following some common sense practices can keep events safer and more fun.

- Walk, slither, and sneak on sidewalks, not in the street.
- Look both ways before crossing the street to check for cars, trucks, and low-flying brooms.
- Cross the street only at corners.
- Wear light-colored or reflective-type clothing so you are more visible. (And remember to put reflective tape on bikes, skateboards, and brooms, too!)
- Plan your route and share it with your family. If possible, have an adult go with you
- Carry a flashlight to light your way.
- Accept your treats at the door and never go into a stranger's house.
- Have a grown-up inspect your treats before eating. And don't eat candy if the package is already opened. Small hard pieces of candy are a choking hazard for young children.

### MERITORIOUS SERVICE AWARDEES

October-11                  November-8                  December-13

### MSA BREAKFAST

Tuesday morning September 13th , was an over cast morning, the temperature was heading to a high of 75°. Because the weather was going to become a nice day , the attendance was up from August. We had a total of 19 Masonic Brothers in attendance; 11 MSAs, 3 -33° and 6 Masonic guests. The conversation was well diverse; some talking about the different types of firearms, others about different exploits from prior military service. As usual the food was excellent, with plenty of hot coffee. Our waitress who is our official photographer did a good job in taking the group picture. She is a lot of fun, interacting with everyone. The invitation to attend breakfast is open to all Scottish Rite members , so please plan on attending our October 11th breakfast , you will be glad you did.

*Storms are not forever things, in time they pass on by,  
Yet even when the rainbow comes, we still keep asking why.  
Is there no other way to learn, except by clouds and storm?  
For trust and faith are easy friends, when we are safe and warm,  
But God would ask for greater faith and hope that reassures,  
To teach that in the midst of storms, His constant love endures.*
