In May 1971 the United Health Foundation and the Junior League of Canton opened the Well Baby Clinic -- a multi location health care service providing immunizations, physicals, and well-baby care to low-income families, from this beginning, the Margaret B. Shipley Child Health Clinic, was formed to provide services to children whose families could not afford basic health care. In May 1972, the administrative responsibility for the Clinic was delegated to the Visiting Nurse Society of Stark County, Inc., and the Well Baby Clinic was centralized in one location at 711 Second Street NE. The Clinic was relocated to our current site, 919 Second Street NE, the following year.

Today, the Clinic continues to provide well and sick-child care to over 5,800 patients Stark County and surrounding areas. The Clinic partners with the Stark County THRIVE program, with a Community Health Worker on staff, working to reduce the infant mortality rate and disparity in birth outcomes

SECRETARY COLUMN - ILL. JAMES G. FIDLER, 33°

Brethren, in December we look back on the calendar year coming to a close and look forward to the Holiest of Seasons as we contemplate God's Love for the world and the promise of hope and salvation for humanity. May the joyous spirit that overwhelms us this time of year continue to motivate our behavior throughout the coming year.

We look forward to the new Masonic year that is upon us, ushered in by the Installations of new Masters of the Symbolic Lodges. The strong links between the Valley of Canton and the Symbolic Lodges are underscored by the participation in Blue Lodge activities of so many of the Valley's current and former Officers. The Valley's links to the Grand Lodge were apparent in the participation of so many current and former Valley Officers in the Past Masters Convocation at William H. Hoover Lodge #770 on Saturday November 19. In the coming Masonic year please show your support and appreciation for the efforts of so many of our current and former Valley Officers who are actively involved in Symbolic and/or Grand Lodge activities. The Blue Lodges are the lifeblood of Scottish Rite.

In November the Valley of Canton demonstrated its support for Veterans through active support for and active participation in two memorable events: The Patriot Ball at the Canton Civic Center on Saturday November 5 raised funds for The Patriot Project, an organization that provides free chiropractic care for Veterans. And on November 10, the Valley hosted an enormously successful Veterans Recognition Program in the Ballroom of the Canton Masonic Temple. The evening featured good food; great camaraderie; presentations to our Veterans; an outstanding speech by Mrs. De Ann Williams, Executive Director of the Stark County Veterans Service Commission; and an appearance by Bro. Donald E. Ballard, MOH, who has been elected to receive the 33° at the Supreme Council Session in Louisville, Kentucky in August, 2023.

On November 24 we celebrated Thanksgiving, reflecting on what is truly important and expressing our gratitude to our Divine Creator for all He has bestowed upon us.

As we look ahead to the new calendar year, please mark your personal calendars for Saturday, January 28, 2023. On that day, from 8:00AM until 5:00PM, we are renewing a tremendous biennial tradition: The Six Valley Degree Day. Please plan on joining over 400 Scottish Rite Brethren from throughout the United States and Canada at the Canton Masonic Temple as we gather to enjoy good food, experience great camaraderie and to witness superb portrayals by six different Valleys of Degrees seldom seen by the Brethren. Dignitaries in attendance will include Ill. Peter J. Samiec, 33°, Sovereign Grand Commander, Northern Masonic Jurisdiction, Ancient Accepted Scottish Rite.

Wishing all of you the Happiest of Holidays!

**MEMBERSHIP CHAIRMAN
DANIEL J. SCHARIO**

First I would like to wish all of you a Merry Christmas and a Happy New Year.

As this year is coming to an end soon, the Valley of Canton achieved many goals. Membership has risen, we had 2 successful family fun days and a great fall reunion, just to name a few high lights. I hope next year is even better.

I know Santa is just a fictional character, but the Valley of Canton has two. These Brethren have stepped forward and offered to pay for any new member that wishes to join the Valley of Canton initiation fee. These Secret Santas have humbled me and I thank them from the bottom of my heart

This act of gratitude starts now and runs until the Spring Reunion. In conjunction with this, I will be setting up at any lodge who requests, whether for one candidate or a hundred, the Out of Valley Experience. This is a great opportunity to bring new Brethren to the Valley. So if you are having trouble with buying that special gift for a brother Master Mason, who wishes to seek more light, this is the gift for him.

For the month of January, do not forget about the 6 Valley Day. The date for this event is Saturday, the 28th of January. This should be a great day in the Valley of Canton as 6 Valleys will be doing the degree work. They will have their best performers; the acting will be second to none. If you are in any of the degrees please contact your director for practice times. Reservation for lunch is a must. Please inform the Valley of Canton Office as soon as possible if you are having lunch. The caterer is Robert J.

Fraternally

Daniel J. Schario: Membership Chairman

It's a Joyous Time

It's a joyous time and one can hear those sleigh bells ring, the shopping malls are crowded, folks are in need of one more gift to bring.

It's a joyous time, reds and greens decorate everywhere. Beautiful angels are placed on treetops, towering so high up in the air.

It's a joyous time because families and friends gather far and near to offer hugs and cheers and wishes for a wonderful New Year.

Yes, it's a joyous time and the stars are shining bright, reminding us of a very special Baby who brought salvation, hope and light.

Doctor Timothy Novelli, of The Patriot Project.

Brother Novelli is a member of the Valley of Canton.

Dr. Tim Novelli began his practice in 1985 in Canton OH. with a specialty in Orthopedics and Sports Injuries. He served 28 years as team Doctor to high schools, Olympic track and field and the Cleveland Browns.

He founded The Patriot Project in 2012 after volunteering at a wounded veteran event in Dallas. The Patriot Project now has thousands of clinics across America providing free Chiropractic care to our military, their families, and Gold Star dependents.

The Patriot Project goals are to be commissioned in our military and serve on Forward Operating Bases. Chiropractic care is the best therapy for GI's carrying a 70 lb. rucksack, body armor, and the demands of battle. In sports millimeters and milliseconds mean the difference of Super Bowl rings and gold medals. In Battle it could mean life and death. We also provide scholarships for veterans to become Chiropractors.

The Patriot Project is honored to have fourteen Medal of Honor Recipients and other distinguished military service members on its board of directors.

GRAND MASTER'S MEDAL OF HONOR

Brother Richard Christmas was awarded the Grand Master's Medal of Honor at the 213th Annual Communication of the Grand Lodge of Free and Accepted Masons of Ohio, on Friday, October 28th, 2022. The Grand Master's Medal of Honor serves to recognize a member of the Fraternity who has been a Master Mason in good standing for 20 or more years and has shown exemplary service to his Lodge and the Fraternity in that time. Oftentimes, the medal serves as an opportunity to recognize a member who has given himself tirelessly to the Fraternity and has been an integral member in improving the state of the Craft, and yet has never served as Master of his lodge. Each Masonic District is eligible to nominate one member from the Lodges in their district. This is a medal that the Grand Master personally presents to one Mason in the State of Ohio.

Brother Christmas is a member of Tuscarawas Lodge #59 in Dover, Ohio and he is also a member of the Ancient Accepted Scottish Rite, Valley of Canton. Congratulations go out to Brother Richard Christmas for his distinguished award!

MSA BREAKFAST

It was a nice sunny but chilly Tuesday in early November for the MSA breakfast. Because it was such a nice day, the turnout was good. We had 19 Masonic Brothers in attendance, 10 MSAs, 3-33° and 6 Masonic guests. And joining the group as a guest was “Doc” Ballard, a Medal of Honor Recipient and Valley member. The topic of conversation was about improving membership in the Blue Lodge and how they can improve the finance position of the Lodge through different fund raising projects. What can be done to improve it and do we need to stick to “old traditions.”

Once again the service and food was excellent and our waitress did an outstanding job in taking the group picture. We would like to see you at our next breakfast in December. This is an open invitation to all Brethren to come and join the group.

Christmas traditions in England Plum puddings

Christmas, as we experience it today, was mostly a Victorian invention, however there are various traditions that have been observed for much longer, such as making plum puddings, which dates back to the Middle Ages. The ingredients of suet, flour, sugar, raisins, nuts and spices were loosely tied in a cloth and boiled for several hours until they are “plum”, meaning they have expanded to fill the cloth. The Christmas pudding is then sliced up and eaten with cream.

Killian H. Van Rensselaer's 1845 Petition

By Jeffrey Croteau, Director of Library & Archives, Scottish Rite Masonic Museum & Library

“I most humbly beg leave to offer myself as a candidate for admission into your Illustrious and Puissant Council...” reads this petition addressed to the Supreme Council, 33°, Northern Masonic Jurisdiction, and signed by Killian Henry Van Rensselaer (1800-1881), a 44-year-old Mason from New York, in 1845. This petition was the first step toward Van Rensselaer becoming an Active Member of the Northern Masonic Jurisdiction's Supreme Council. In less than twenty years, Van Rensselaer would become its sixth Sovereign Grand Commander, serving from 1861-67. The process by which Van Rensselaer received the 33rd degree is very different from how it works today.

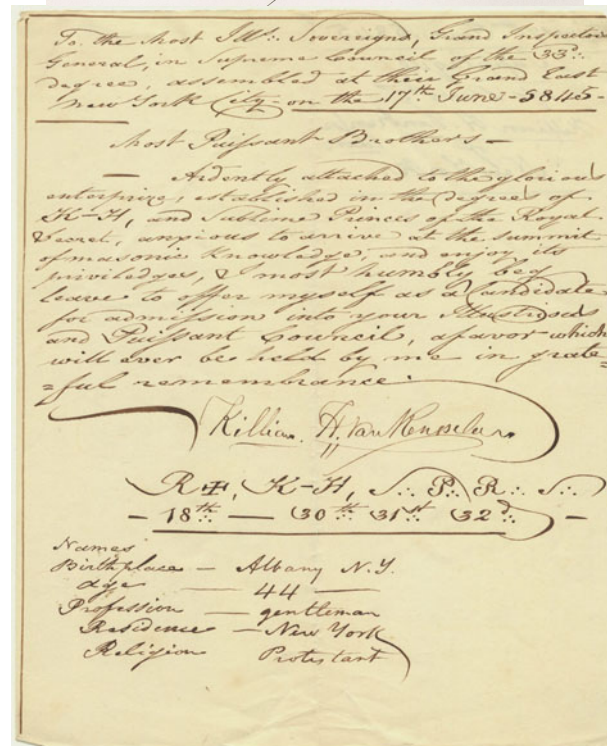

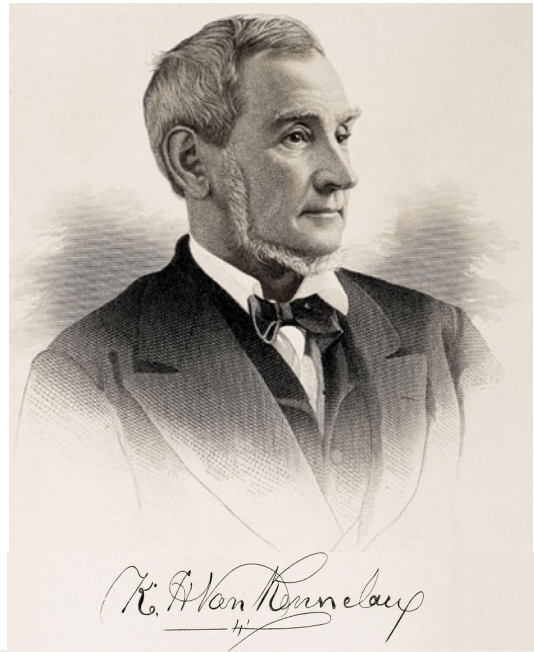

Van Rensselaer's petition documents the activities of the Supreme Council at the time. Viewed in a broader context, this slip of paper shows the work of John James Joseph Gourgas (1777-1865), the NMJ's Sovereign Grand Commander from 1832 through 1851, and helps tell the story of the rebirth of the NMJ in the 1840s.

Gourgas, living in New York City, along with Schenectady-based Giles Fonda Yates (1798-1859), had essentially kept the Scottish Rite's NMJ alive from 1826 through the early 1840s. During this time, a social and political movement, now known as the Anti-Masonic Movement, curtailed much Masonic activity in the Northeast of the United States and brought the Supreme Council's official activities to a standstill. During these years, Gourgas and Yates were effectively a Supreme Council of two people, preserving the organization's records and corresponding with one another about the plight of American Freemasonry from the late 1820s through the early 1840s. When the social climate changed and members began to rebuild Scottish Rite Freemasonry in the early 1840s, Gourgas and Yates sought to find brothers, like Van Rensselaer, who could help revive the Council, starting in 1844. Van Rensselaer's petition is part of that story. With the exception of Van Rensselaer's signature, the petition is entirely in the handwriting of John James Joseph Gourgas (1777-1865). Gourgas wrote out this petition—Van Rensselaer needed only to sign it.

Becoming a 33° Member

Today, no one petitions to become a 33° Member or to join the Supreme Council. Sublime Princes of the Royal Secret (i.e., 32° Members) are nominated, elected, and then created Sovereign Grand Inspectors General of the 33rd degree. Most 33° Scottish Rite Members are non-voting Honorary Members, a rank of 33° that the Supreme Council created in 1865. The Supreme Council itself is comprised of Active Members who serve on various committees and have voting privileges within the Council. When a seat opens on the Supreme Council an Honorary Member is elevated to the rank of Active Member to fill it.

In 1845, the category of 33° Honorary Member did not exist, so any Sublime Prince who was crowned a 33° was automatically an Active Member of the Supreme Council. Van Rensselaer was among the seven new members who Gourgas and Yates selected to expand the Supreme Council in 1844 and 1845. These additions turned the Supreme Council into a nine-member group, as prescribed by the Constitutions. If not for Gourgas and Yates, it is unlikely that the NMJ's Supreme Council would have survived. Not only did they keep safe the documents of the Supreme Council, NMJ, during the Council's inactivity, but, when Freemasonry came back to life in the 1840s, they recruited enthusiastic Masons like Van Rensselaer to help rebuild the Scottish Rite fraternity in the Northern Masonic Jurisdiction.

DATED MATERIAL

In memoriam

Our Father, it is a holy gift You gave us long ago when Jesus, Your only Son, was sent to earth to teach men about Your great love. Because He came, the world has found a great light. Our hearts know what love really means. His life is the pattern for all goodness, all holiness. We thank You for this great gift of love. Hold us in the hollow of Your hand until our service is over, our life is done. And to You be the honor and glory and praise for Jesus' sake. Amen
