### SECRETARY COLUMN - Ill. James G. Fidler, 33°

Brethren, as we say so long to Summer and head into Fall we can look back with a sense of pride and satisfaction on the successful events of August, including our participation in the Pro Football Hall of Fame Enshrinement activities; an interesting and timely presentation at our Hawaiian Shirt Night Stated Meeting by Stephanie Sweaney of the Stark County Hunger

Task Force , with the Meeting preceded by a steak dinner prepared by the Canton Masonic Association which rivalled any meal you could get in a quality restaurant; the Valley’s Abbott Scholars/ Children’s Dyslexia Center Graduates Banquet, which honored 20 Children’s Dyslexia Center Graduates and 12 young people receiving Abbott Scholarships to further their education, on Friday August 13; and the Children’s Dyslexia Center Sock Hop on Saturday August 21, which enabled us to have fun and enjoy great food while supporting a very worthy cause.

All of these events took place as we navigated our way out of the coronavirus pandemic which has devastated our planet for the past eighteen months.

On August 31, 2021, at the Supreme Council Session in Cleveland, Ohio, three Brethren of the Valley of Canton were Coroneted 33° Scottish Rite Freemasons. Our newest Sovereign Grand Inspectors General for the Northern Masonic Jurisdiction are Ill. Rodney W. Lentz,33°, Ill. Stephen P. Warren,33° and Ill. Ted D. Howenstine, MSA, 33°.

Please make it a point to congratulate these three distinguished Brethren on their achievement the next time you see them at a Valley event.

Mark your calendars for Saturday September 11, 2021 at 6:00PM as we resume a tradition interrupted last year by the pandemic: the Valley of Canton’s Annual AASR Awards Banquet, honoring those who have contributed so much to Freemasonry over many years. This year we will be honoring recipients eligible for recognition in both 2020 and 2021. Please make your reservations early as we look forward to seeing you in the Ballroom at the Canton Masonic Temple for a phenomenal event.

The success of all of our events depends upon active and enthusiastic participation by the Brethren- and Reunions are no exception. Let’s concentrate on ensuring those Brethren who may need some help with transportation are able to attend the Reunion and let’s make sure we have a petition available for any Master Mason desirous of joining Scottish Rite. And remember the COST of a PETITION to JOIN THE VALLEY AT THE FALL REUNION HAS BEEN REDUCED TO ONLY \$100 !

Brethren, the Symbolic Lodges are the lifeblood of Scottish Rite Freemasonry. As many Lodges that have gone dark for the Summer resume their work in September, make it a point to attend as many Blue Lodge events as possible and spread the word about the “Fraternity of Choice.” We know why we are Scottish Rite Masons. Let’s not hesitate to share those reasons with others.

Looking forward to seeing all of you soon !

## MEMBERSHIP

The month of August flew by on gossamer's wings and school has already started. Please remember to slow down through the school zones.

September 9th is our Stated Meeting night. The dinner starts at 6:30 and the Meeting starts at 7:30. Please

get your reservation in early for the dinner.

Practices for the Fall Reunion have started. I'm sure extras are needed to round out the degree work. This would be a great time to show your talent as an actor. The Fall Reunion begins October 28th and runs through the 30th.

The Valley of Canton will need candidates, so speak to your lodges and their Brethren about the AASR and have a petition in hand.

### Communication:

Another thing that sets humans apart from their animal cohabitants is our use of communication, which has been a part of the human experience for more than 5,000 years. In fact, the first essay is estimated to be from around the year 3,000 B.C., originating in Egypt.

Communicating with spoken words allows you communicate your thoughts, present ideas and share information, with friends, family or colleagues. A simple hand gesture or shift in body movement will help get your point across. The best communicators are those who are able to read the situation and adapt on the spot. Be at ease with the environment around you. Be ready for anything that comes your way. Be attentive to the person around you; reading their reactions will help you tailor your message and clarify your position or idea.

Face to face communication helps to build trust and reliability. The average person has less than 30 seconds to build trust. This is a feat in itself. Body language, firm handshake, smile and a general interest in the person questions are a must.

We as Masons, have many hurdles to overcome, when speaking to a potential candidate. This is due to public opinion and the internet. Masons must be prepared to debunk the untruths and communicate the true facts, always pointing out the positive benefits of fellowship and brotherhood. We forget that the person we are speaking too often has no prior knowledge of what we're talking about. Tackle this natural tendency head on: a short story of a fun time with your Masonic Brethren, this will help with maintaining the attention of your potential candidate. When a person doesn't understand what you are talking about they often tune out. Avoid this by proactively breaking down your thoughts to be more clear and concise.

he incoming Grand Master has set a bar for each lodge to raise 10 Master Masons this year. I believe this can be done with proper communication.

Fraternally

Membership Chairman

### A New Tradition is Started

On August 10th the MSA Club started a new tradition by holding its monthly breakfast at the Athens Restaurant located on Harrison Ave. We had 10 attendees who help to start the new tradition. The service was great and we had our own private room except for Einstein sitting in a corner. The food was very good and the portions were large, so all got their fill.

As always the conversation topics varied by group, all were having a good time. Please plan on joining us in September for a great Greek breakfast.

### Valley of Canton and the Pro Football Hall of Fame

Each year a number of Brethren of the Valley of Canton along with their family members volunteer to help out during the enshrinement week at the Football Hall of Fame. This year was no exception as the Valley had 19 volunteers numbering over 3,000 chairs on the floor of Tom Benson Football Stadium Saturday morning. Also there were volunteers working security during the different events at the stadium. A number also worked at the Patriot Project booth during the 5 days of the Fun Fest on the Hall of Fame grounds.

This is a good example of Scottish Rite Masons stepping up to help the community when there is a need for volunteers. Scottish Rite Brethren, Ladies and Friends who helped to number chairs at Tom Benson Football stadium on Saturday, August 7, 2021

## Restore Core Values

American society today reveals there is a desperate need to restore core values. Our great civic institutions are riddled with scandal. Debate, which is meant to bring light not heat, has disintegrated into hurled insults, negative campaigns and memes on social media.

We no longer love our neighbors. We fear them. Trust in society is crumbling or gone. More than ever, there is a deep longing for moral standards shared by all citizens.

The truth is, these things aren't restored by leaders or institutions but each individual. We have, for too long, now, been glued to our computer and phone, isolating ourselves from others.

We live in a society in which individuals are too self-absorbed, ignoring others and forgetting that what makes our nation great is shared experience and mutual commitment.

Men like our Brother and President George Washington, represented our best ideals. It was easy for them to have widespread support because they portrayed our beliefs and aspirations. You and I must release those values in our own lives if we are to create such leaders again, and restore our values.

*Steven G. Tiner, General Grand High Priest of the General Grand Chapter, Royal Arch Masons International*

## LABOR DAY

Observed the first Monday in September, Labor Day is an annual celebration of the social and economic achievements of American workers. The holiday is rooted in the late nineteenth century, when labor activists pushed for a federal holiday to recognize the many contributions workers have made to America's strength, prosperity, and well-being.

Before it was a federal holiday, Labor Day was recognized by labor activists and individual states. After municipal ordinances were passed in 1885 and 1886, a movement developed to secure state legislation. New York was the first state to introduce a bill, but Oregon was the first to pass a law recognizing Labor Day, on February 21, 1887. During 1887, four more states – Colorado, Massachusetts, New Jersey and New York – passed laws creating a Labor Day holiday. By the end of the decade Connecticut, Nebraska and Pennsylvania had followed suit. By 1894, 23 more states had adopted the holiday, and on June 28, 1894, Congress passed an act making the first Monday in September of each year a legal holiday.

The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. The Central Labor Union held its second Labor Day holiday just a year later, on September 5, 1883.
